Thank you Dave. I really appreciate you getting back to me.

Much obliged.

Larry

External E-mail

Larry,

EPA plans to respond to the petition by the deadline as calculated by using the date of the original submission.

We do not plan to publish a docket ahead of responding to the petition.

-Dave

Dave --

I am aware that the Agency has recently received some extra correspondence related to the pending PFAS Section 21 Petition. Will the additional correspondence extend the 90-day deadline for EPA's reply? Has the Agency created a docket for this matter?
